## / PROFILE

Frontend developer with commercial experience in developing websites and applications. Worked with modern frameworks and libraries such as React, Next.js, TypeScript, and has a good basics of pure HTML, CSS, and JavaScript. Also an architect with 10 years of experience in design, graphics, problem-solving and processing data into an existing structure.

## / WORK EXPERIENCE

### 03.2022 - 09.2022 Frontend Developer at Marotinoc sc

Marotino is a web focused software house. My core activities included:

- >> Implementing static layouts with **CSS, HTML, JS, Sass** and **Bootstrap** based on **UI/UX** models from **Figma**.
- >> Bringing mock-ups to life using **React, Next.js, Typescript** with framework and component libraries like **Formik, Tailwind, Styled Components, Bem Css Modules**.
- >> Building websites and apps that are responsive and usable.
- >> Cooperation with back-end and UX/UI teams.
- >> **Debugging** existing code and adding new features like notifications using **WebSockets** or implementing internationalization with **i18next** and **FormatJS**.
- >> Communicating technical issues in an understandable manner to the team and clients.
- >> Maintaining an organized workflow using a project management tools like: **GitHub, GitLab, Redmine** or **Jira**.

### 11.2021 - 02.2022 Mentee - Dare IT project

During the program I worked with my mentor on my Frontend Development skills. My main projects:

- >> Portfolio website - **React, Typescript, Sass, Animate.css**.
- >> E-retail project - **React, Typescript, React Router, Sass**.
- >> E-wallet project - **React, MUI, Storybook, React-Query**.

### 11.2020 - 10.2021 Frontend Developer Trainee / Freelance

I spent all my free time learning and improving my programming skills, writing code, participating in workshops and studying numerous online courses.

### 07.2016 - 10.2020 Head Architect, owner - A Plus Projekt

I was responsible for **project and team management, communication with client** and government agencies.

### 02.2011 - 07.2016 Architectural Designer - Arkon Atelier

My tasks included creating projects, resolving **problems** and **cooperation** with other designers.
