/ PROFILE

Since over a year I'm devoting all my free time to study computer science, web applications development and technologies. I am passionate about front end as it is natural to combine my **design skills** with my **tech abilities**. As a business woman and self-appointed household manager I have mastered **time management, accuracy**, multitasking and patience.

/ TECHNICAL SKILLS

>> **HTML5**
>> **CSS**
>> **JAVA SCRIPT**
>> **REACT**

/ PROFFESSIONAL SKILLS

>> Problem solving
>> Creativity
>> Growth mindset
>> Teamwork
>> Communication skills
